This light and spacious north facing, one bedroom ground floor unit offers an amazing lifestyle! The property is very spacious, with the lounge/dining area having glass sliding doors opening onto a sunny verandah and private courtyard garden with coastal dune views. The kitchen is a good size, the double sized bedroom has built-in robes and the bathroom has laundry facilities. Located in a quiet cul de sac, in a small group, with just a walkway to the best sandy beach in town, this property is a little beauty!
